Information

About ICI

Idaho Correctional Industries (ICI), is headquartered in the great capital of Boise, Idaho and provides daily training for inmates at various Idaho State Prisons.

Idaho Correctional Industries prepares our inmates with vocational education, on-the-job training and work experience for industry, vocational and agricultural programs.

In addition, inmates develop marketable job skills, good work ethics and confidence in their accomplishments, which gives a feeling of pride, sometimes for the first time in their lives.

Mission

Idaho Correctional Industries is dedicated to maintaining and expanding work training programs which provides meaningful education, work experience and transitional services to assist inmates reentering our communities become productive employees, good neighbors and taxpaying citizens.
